# A TRULY WORLD-CLASS INSTITUTION

# Chandigarh University

Located in the vicinity of the City Beautiful in India, Chandigarh University is a leading higher education institute of India sprawling over a 150-acre smart campus with world-class infrastructure and facilities. Home to students from all Indian states and Union Territories, and 54 countries around the world, the university has transformed into a unique learning universe that amalgamates the spirit of multiculturalism, diverse ethnicities, and hallowed traditions from across the world. Chandigarh University provides a global perspective to facilitate students with international learning opportunities through partnerships with more than 486 top-ranked universities in 95 countries. The University is a premier Indian institution offering its students a unique amalgamation of professional and academic excellence. Ranked 1st among the private universities in India as per the QS World University Rankings 2024 and also bestowed with A+ accreditation by the National Assessment and Accreditation Council in the first cycle itself, the university is adorned with several rankings and accreditations both nationally and internationally.

## Exploring Outer space with Kalpana Chawla Centre for Research in Space Science & Technology

Foraying into the world of space research, Chandigarh University has set up the first ground station in the region, namely Kalpana Chawla Centre for Research in Space Science and Technology (KCCRSST), which is giving satellite design training to students from 21 countries and can also communicate with 28 countries that are part of the Satellite Networked Open Ground Station (SatNOGS). The ground station was inaugurated by our Hon'ble Defence Minister, Shri Rajnath Singh.

# Technology Business Incubator

CHANDIGARH  
UNIVERSITY  
TECHNOLOGY  
BUSINESS INCUBATOR

Supported by  
**NSTEDB**  
DEPARTMENT OF  
SCIENCE & TECHNOLOGY

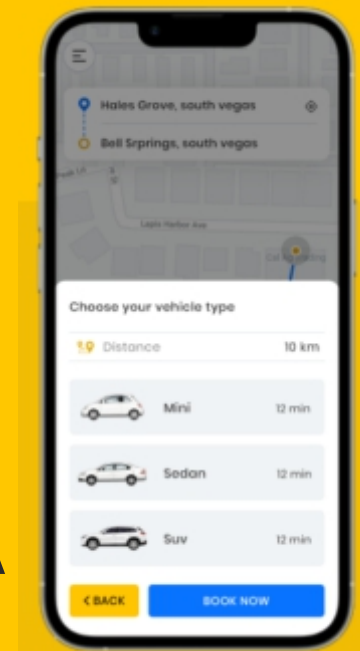

With the support of the Government of India, our institution has established a Technology Business Incubator on our campus. This incubator is dedicated to fostering the entrepreneurial aptitude of the youth.

Operating under the name Chandigarh University Technology Business Incubator (CU-TBI), it serves as a robust conduit that connects students with expansive regional networks. Within this ecosystem, students benefit from the mentorship of accomplished entrepreneurs and esteemed professional organizations. This collective effort is meticulously orchestrated to propel these young individuals towards the overall growth and development

Innovation and Entrepreneurship Development Cell at Chandigarh University provides a platform to students and faculty to transform their ideas into products and services. Under this centre, a student gets up to Rs. 1 Lakh to develop a prototype for research. IEDC at CU is committed to the cause of nurturing the creativity, innovation and entrepreneurial skills among the students.

NextDriveIndia is a leading online cab booking platform that connects passengers with reliable and safe transportation services across cities.
