

## Student Volunteering Festival

During the period from May to December 2026, the Student Volunteering Festival will be implemented on the initiative and with the organization of the Ministry of Education, Science and Youth of Georgia and LEPL Youth Agency.

The festival brings together students from authorized higher and vocational educational institutions across Georgia and aims to strengthen the culture of volunteering among students, increase their motivation, and promote their active involvement in public life. The program is focused on providing young people with practical experience and developing their leadership, communication, and teamwork skills.

The project will be implemented in several stages during June–July and will conclude with a final festival, where teams will present their experiences. Based on the jury’s evaluation, three winning teams (15 students) will be selected, who will participate in an international study visit. Additionally, the best initiatives will be identified across all five evaluation criteria, and the respective teams will be awarded commemorative prizes.

- Applications will be accepted until May 5, 2026, 18:00;
- The completed application form should be sent to the following email: [studentvolunteering@youthagency.gov.ge](mailto:studentvolunteering@youthagency.gov.ge)

You can find the implementation stages of the festival in the attached file.
