## ELO Uni Goals and Objectives

- Working on inclusiveness and inclusion of different segments of society.
  - Providing participants with communication and teamwork skills, by searching for non-traditional sources of language learning.
  - Capacity building, acquiring leadership and entrepreneurship skills, and the ability to think critically.
  - Enhancing the concept of community belonging and professional skills through volunteer work.
  - Promoting the use of modern theories in learning English.
  - Exploiting the available resources within the local environment to learn English.
  - Activating participant's spontaneous use of the English language within its realistic context.
  - Providing a unique opportunity to exchange experiences and friendships among the participants.
  - Coming up with recommendations and policy papers in response to the sustainable development goals addressed to the relevant authorities and decision makers.
- 
- Participating teams plan, practice, and complete the required tasks once they enroll to be ready to present their work within the Olympia, where each team will submit a brief presentation before a group of judges for each of the topics. Members of judging committees are specialized and neutral people with distinguished academic and practical experience.
  - The ELO event takes place over three consecutive days, Thursday, Friday and Saturday.
  - The performance of participating teams is judged by the judging committees during the days of the Olympia, according to specific criteria stated in advance, in a festive educational atmosphere in which all teams meet according to a specific schedule.
  - More details can be found on the link: <https://elo.international/uni/>
